

AMERICAN CANCER SOCIETY RELAY FOR LIFE

Recognition Program

Recognition Program for Phi Beta Sigma

We want to recognize your chapter!

Phi Beta Sigma and the American Cancer Society would like to recognize your chapter for their outstanding contributions to the fight against cancer, through involvement in Relay For Life.

We are challenging chapters to donate volunteer hours and collect donations to support the vital research, education, advocacy, and patient service programs of the American Cancer Society. You can help!

How can I be recognized?

To be eligible for recognition, chapters must register their efforts with Phi Beta Sigma. To do so, chapter leaders may go to www.pbs1914.org and complete the American Cancer Society recognition form online. Contributions made between September 1, 2005 and August 30, 2006 may be entered. Please fill in the form completely, as the information will be verified upon submission.

What awards will be given?

Chapters can work to earn the following awards:

- **Purple Award** – Awarded to chapters who raise \$500-\$999 for the American Cancer Society between September 1, 2005 and August 30, 2006.
- **Diamond Award** – Awarded to chapters who raise \$1000-\$2000 for the American Cancer Society between September 1, 2005 and August 30, 2006.
- **Platinum Award** – Awarded to chapters who raise more than \$2000 for the American Cancer Society between September 1, 2005 and August 30, 2006.
- **State and Chapter Awards** – As part of this program, we will also recognize the chapter raising the most money, the state that raises the most money, and the top three states that raise the most money per Phi Beta Sigma member.

Thank you!

Thank you for your support of the Phi Beta Sigma and American Cancer Society. For resources and additional information, please visit www.pbs1914.org.
